Based on the legitimate interest of the University, image and sound recording of events is made. There is a double purpose of the recording: to record the events of the University and to certify that an event had taken place. The recordings may be published on the University's website or in its journals, social media platforms, as well as in other publications of the University. If you do not wish to appear in these recordings, please inform us at [adatvedelem@uni-nke.hu](mailto:adatvedelem@uni-nke.hu). The privacy policy statement related to registration and the event is available at the following link:
